# The sport club, a German phenomenon

**There have been sports in Halle for over 100 years. Sports are fostered by clubs, some of which also have a 100-year old tradition.**

Clubs are legally independent. Their members decide on the principles of financing. They pay a small fee either monthly, bi-annually or annually (the state pays the fee for children of poor families). The members choose the board and can get involved as helpers, trainers or referees.

In sport clubs, the people themselves decide which sport is played. They arrange other club events themselves, like parties and training trips. Their work is usually volunteer, working for little or no money. Trainers and managers in large clubs are full-time employees.

There are 197 sports clubs in Halle. They are all members of SSB (Stadtsporbund Halle e.V.), the local association. At the state level they are members of the LSB, the state association and at the national level the German Olympic Association (DOSB).

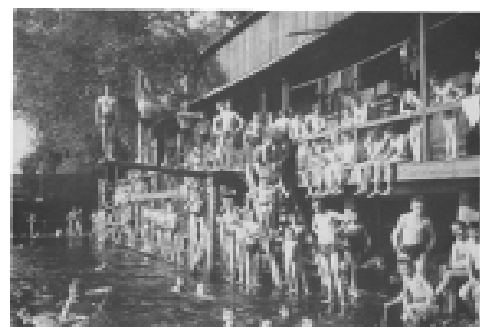

Victories and celebrating together is more fun

Ganganalyse &  
Sensomotorikzentrum  
**F. Hellwig**<sub>GbR</sub>

Wir, die Mitarbeiter der Orthopädie-Technik F. Hellwig GbR, wollen Ihnen helfen sich selbst noch ein wenig besser kennenzulernen. Durch einen Sensomotorik Check incl. Einlagen können wir Ihren diversen Beschwerden endlich aktiv entgegen treten. Dafür bieten wir Ihnen die Möglichkeit in unserem Ganganalyse- und Sensomotorik Zentrum in der Saaleklinik Halle (Saale) eine videogestützte Ganganalyse durchführen zu lassen. Die im Rahmen dieser Analyse gewonnenen Ergebnisse fließen letztlich direkt in unsere Fertigung von individuellen und entsprechend an die Bedürfnisse der Sportler angepassten sensomotorischen Einlagen ein. Mit Hilfe dieser neuartigen und technologisch fortgeschrittenen Einlagen können Schmerzen und Beschwerden, wie beispielsweise im Fuß, der Achillessehne oder im Knie, behoben und somit das eigene Leistungsniveau deutlich gesteigert werden. Vor allem durch die Stabilisierung des Sprunggelenkes kann das Verletzungsrisiko beachtlich minimiert werden.

*Wir freuen uns auf Ihren Besuch!*
